February 3, 2026

To All Oak Creek Subdivision Members of the
Oak Creek Subdivision Homeowners Association

Dear Neighbors,

The Board has been made aware of, and would like to address, an anonymous letter that was recently placed in some residents' mailboxes. This letter contains multiple inaccurate statements and includes language that is misleading toward the Board of Directors.

While the Board will not engage with *anonymous* communications, we do want to emphasize that we remain committed to transparency, accuracy, and acting in the best interests of our community. If you ever have questions, concerns, or would like clarification on any Association matter, the Board is readily available and encourages direct communication.

Thank you for your continued engagement and for helping maintain a respectful and informed community.

Respectfully,

OAK CREEK BOARD

Linda Grahovec, President

Randy Olson, Treasurer

John Baer, Secretary

Ginger Thayer, Director

Luke Martin, Director
